SUMMER OVERNIGHT CAMP

AGES 7-14

Overnight camp sessions provide age-appropriate activities for children 7 to 14 years old. They will spend four nights in a gender- and age-separated cabin with two trained camp staff that will create a fun and memorable atmosphere. Campers will have a safe opportunity to learn about our environment and try new things such as canoeing, hiking, singing camp songs, arts and crafts, aquatic activities and big field games. Prices include daily breakfast, lunch, snack, dinner, lodging, program activities, supplies and an annual membership to Boys & Girls Clubs of Greater Milwaukee.

LEADER-IN-TRAINING PROGRAM

AGES 15-17

Why "Leader" instead of "Counselor"? Camp Whitcomb/Mason chooses to have a Leader in Training Program instead of the commonly seen Counselor in Training Program because we believe that all of our staff are leaders first, and counselors second. Leaders are able to take their skills outside of the Camp setting to continuously provide support, encouragement, and reliable decision making. We want to make our youth Leaders for their lives instead of the sole focus of being a leader at Camp.

Our LIT program is now scheduled over the weekend! Teens will be on site for 12 days and part of this program also includes a two night stay at Devil's Lake State Park in Baraboo, WI.

July 10 - 21 **July 24 - August 4**

Our LEAP Program is for campers that are 14 and interested in returning back to Camp next summer as an LIT. Our LEAP Program is designed to give campers an introduction to being an LIT and is offered only one week per summer.

August 7 - 10
