

### Boys & Girls Clubs of Greater Milwaukee 2018-19 YPQA Self-Assessment Results

Boys & Girls Clubs of Greater Milwaukee conducts yearly program assessments for **each** of its afterschool sites via the Youth Program Quality Assessment (YPQA) tool. Only currently funded CLC sites during the 2018-19 program year are represented in the table below. Each category score is the average of a number of indicators, and is measured on a 1-3-5 scale with 5 being the maximum score for any given indicator. Each site also receives a YPQA external assessment, and programs develop an improvement plan each year.
