Healthy Snack of the Day: Apple Chips

Ingredients:
* 2 apples
* Sugar
* Cinnamon

Steps
1. Gather all ingredients
2. Preheat oven to 200 degrees
3. Thinly slice apples
4. In a large bowl, toss apples with sugar and cinnamon
5. Place a cooling rack onto a baking sheet.
6. Lay the apple slices onto the cooling sheet, making sure that no apples overlap— the baking sheet below is to catch drips! 
7. Bake for 2-3 hours, flip the apples half way though
8. Bake until the apples have dried but are still pliable
   * Apples will crisp more as they dry
9. ENJOY!
