BOYS & GIRLS CLUBS OF GREATER MILWAUKEE
COVID-19 HEALTH & SAFETY PROTOCOLS

MASKS: All staff and students are required to wear face masks that cover their mouth and nose completely while inside Club facilities. Face coverings do not include face shields, mesh masks, masks with holes or openings, or masks with vents.

SINGLE ENTRY/EXIT: To help us maintain our safety protocols, there is a single entry/exit point at all Clubs.

VISITOR POLICY: All Boys & Girls Clubs located in a Milwaukee Public Schools-owned building are now open to the public, and Clubs located in other non-Boys & Girls Clubs of Greater Milwaukee-owned facilities are subject to the discretion of the property owners. Boys & Girls Clubs’ guests are expected to follow COVID-19 Health & Safety Protocols outlined in this document.

CHECK-IN / CHECK-OUT: Parents and guardians check their kids in and out with a staff member outside the Club’s front doors. They are asked a series of questions regarding potential exposure to COVID-19 and may be denied entry if answers are consistent with possible exposure.

TEMPERATURE CHECKS: All Club kids and staff have their temperature checked upon arrival and may have it re-checked each time they re-enter the Club. If a staff member or Club kid exhibits a temperature of 100.4 or higher, arrangements are made to send them home until they are symptom- and fever-free without fever-reducing medication for at least 72 hours.

ISOLATION ROOM: If a member exhibits a temperature of 100.4 or higher and/or symptoms consistent with COVID-19, they are isolated with supervision until arrangements can be made for them to be picked up by a parent or authorized guardian.

SOCIAL DISTANCING: Club staff ensure members are maintaining a distance of 6 feet or more amongst each other.

GOOD HAND HYGIENE: Hand sanitizing stations are provided for each group and throughout each Club. Club staff regularly require members to use hand sanitizer under direct supervision, as well as wash their hands.

CLEANING AND DISINFECTING: Staff follow a strict cleaning regimen that ensures Clubs are clean and safe for our members.

VACCINES: All members ages 12 and older are encouraged to receive a COVID-19 vaccine.

For additional details on procedures and COVID-19 safety measures, please see the Parent Handbook.
