Payment Options to Meet Family Needs

The cost for Boys & Girls Clubs of Greater Milwaukee (BGCGM) to provide high quality programming is \$205 per week per child for legacy sites and \$185 per week per child for school based sites. We recognize that this weekly expense for summer care is difficult for many Milwaukee families to afford, and for this reason, the Clubs fund raise to substantially offset this expense for our member families. In this way, the Clubs offer a sliding scale rate for families based on income level, which is provided below. It is important to note that ALL fees are waived (free attendance) for families that secure a childcare authorization through the Wisconsin Shares - Child Care Subsidy Program (information follows). Additional opportunities for full scholarships can be provided.

Boys & Girls Club Sliding Scale Rates (effective 8/2022)

Annual Family Income Level (self-reported)	Summer - Weekly Cost of Attendance per Child (all day, full-time care)
0-\$50,000	\$40/week
\$50,000-\$75,000	\$50/week
\$75,000-\$100,000	\$60/week
\$100,000 +	\$70/week

Multiple Children Discount

Families will only be asked to pay for a maximum of two children at a time. Additional children from one household are enrolled at no additional cost.

No Partial Attendance Discounts

The Clubs do not differentiate based on how many hours a week a child attends, or how many weeks they attend. All fees are flat rates - per child, per week based on enrollment.

Fee Reductions and Scholarship Opportunities

The Clubs will never turn a child away for the inability to pay. The Clubs want to ensure clear and open pathways for all children to attend regardless of payment history. Full scholarships can be provided upon request, please speak with your Club Manager for more information. All conversations with Club staff regarding individual family payment arrangements will be handled in strict confidence.

Anticipated Closure Dates and Policy for Payment during Closures

All scheduled times are subject to billing and based on payment frequency (payment frequency may be weekly, biweekly or monthly). No refunds for anticipated closures or unanticipated closures such as inclement weather and other emergencies. All locations will be closed to observe July 4th. If July 4th falls on a Saturday, we will be closed the Friday before, and if it falls on a Sunday, we will be closed the Monday after. Legacy sites may have extended day programs when MPS is closed, see Club Manager for details.

Policy and Payment Expectations for Child Absences (Expected and Unexpected)

Expected absences are those reported in advance by the parent, including vacations or appointments. Unexpected absences are those not reported in advance, including sick days or no-show. In order to maintain appropriate staffing levels and program quality, fees for weekly designated participation will be assessed regardless of expected or unexpected absences. Summer program fees vary, please refer to your program's fee structure for more information.

In reference to the Boys & Girls Clubs of Greater Milwaukee Parent/Student Rights, Responsibilities and Discipline Handbook, Boys & Girls Clubs is committed to providing a safe and effective learning environment for students and staff members. Boys & Girls Clubs reserves the right to suspend or expel students who compromise safe learning environments. To cancel enrollment, provide the Site Manager with a two-week verbal or written notice. No refunds will be issued. Payments may not be transferred between children or applied to other services or locations.

Once a weekly fee rate is established between you and the Club Manager, we ask that a parent/guardian sign a customized Member Fee Agreement establishing the rate and payment schedule. Once this is complete, your child is welcome to begin attending the Clubs.

5. You agree to waive and hold BGCGM harmless from any damage, harm, misconduct, disappearance, or any other circumstance that may occur after your child exits BGCGM's building/site, which includes but is not limited to injury caused by others, self-inflicted, or traffic/motor vehicles.

MENTORING PROGRAM PARENT/GUARDIAN CONSENT FORM

I, the parent or legal guardian for _____ hereby give my permission for my child to participate in the Mentoring Program at the Boys & Girls Club.

I fully understand that the program involves mentors, who shall be selected from the community and will be screened (including a criminal background check) and trained before beginning in the program. A mentor will be expected to spend a minimum of one hour per week with my child on-site at the Boys & Girls Club. The mentor is not allowed to take or meet my child beyond the Club facility.

I understand that my child will participate in an orientation session at the Club in which the program will be explained. The program is planned to last one year and continuation may then be discussed.

I understand that during the course of the mentoring program there may be special group events (incorporating all mentors and youth) and family events planned. I understand that the staff of the Club will provide ongoing monitoring of the mentoring activities.

I give the Boys & Girls Club Mentoring Program Coordinator permission to obtain my child's academic and attendance records from my child's school.

I permit the Mentoring Program staff and the Boys & Girls Club to utilize photographs of my child taken during his/her involvement in the mentoring program and waive all rights of compensation.

Acceptable Use Policy for Members

An **Acceptable Use Policy** defines appropriate use of computer equipment and the internet for both staff and members, as approved by the Board of Directors and signed by each staff member and placed in their membership file.

Responsible Computer Use Guidelines for Members:

Boys & Girls Clubs of Greater Milwaukee' ("Club" or "Clubs") computer network and internet access are available to members to enhance their educational experience and help them become literate in an increasingly technological world.

The purpose of this Acceptable Use Policy is to foster the appropriate use of that network, email and the internet. The following guidelines apply to all users, whenever they access any of the Clubs' network connections.

Educational Purpose:

The Clubs' network has been established for educational purposes limited to classroom activities, school-to-career development and scholastic research on appropriate subjects. The Clubs' network has not been established as a public access service or a public forum. The Club has the right to place reasonable restrictions on the material members access or post through the system. Members are expected to follow this Acceptable Use Policy (as well as other Club rules and policies applicable to members) when in the Technology Center or accessing the network.

The Clubs' network is considered a limited forum, similar to a school and, therefore, the Club reserves the right to regulate that forum for valid educational reasons. The Club will not restrict speech on the basis of a disagreement with opinions you, the members, are expressing.

You should expect only limited privacy with the content of your personal files on the Clubs' network. This situation is similar to the rights you have in the privacy of your locker at school.

The Club reserves the right to search your files, if there is a reasonable suspicion you violated this Acceptable Use Policy, Club rules and policies, or the law.

Unacceptable Uses and Personal Safety:

You must not post personal contact information about yourself or other people. Personal contact information includes (but is not limited to) home, school or work addresses; telephone numbers; and email addresses.

You must never agree to meet with someone you have met online without your parent's approval. A parent or guardian should always accompany you to such meetings.

You must promptly disclose to a Club staff member any message you receive that is inappropriate or makes you feel uncomfortable.

Illegal Activities:

You must not attempt to gain unauthorized access to the Clubs' network, or to any other computer system through the Clubs' network. This includes attempting to log in through another person's account or accessing another person's files. These actions are illegal, even if only for the purpose of "browsing."

You must not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses.

You must not use the Clubs' network to engage in any illegal act, including, but not limited to, arranging for the purchase or sale of alcohol, tobacco or other drugs; engaging in criminal activity; or threatening the safety of another person.

System Security:

You are responsible for your individual user account and should take all reasonable precautions to prevent others from being able to use your account. Under no circumstances should you provide your password to another person.

You must immediately notify a Club staff member if you have identified or witnessed a possible security problem.

Do not look for security problems, because this may be construed as an illegal attempt to gain access.

Inappropriate Use:

Restrictions against inappropriate use apply to public message, private message and material posted on web pages. Within reason, freedom of speech and access to information will be honored.

The following are not permitted:

- Sending or displaying unkind or offensive messages or pictures, pornography or hate literature
- Using unkind or obscene language
- Harassing, insulting or attacking others
- Intentionally damaging computers, computer systems or computer networks
- Violating copyright law
- Using another person's password
- Trespassing into another person's folders, work or files
- Intentionally wasting limited resources (i.e., distributing mass email messages, participating in chain letters, creating or participating in unauthorized newsgroups, and storing files on file servers without proper authorization)
- Employing the network for commercial purposes, political activities or lobbying
- Installing additional software without prior approval
- Using portal or proxy websites

Violations may result in the loss of access, as well as other disciplinary or legal action.

Respect for Privacy:

You must not re-post a message that was sent to you privately, without the permission of the person who sent the message.

You must not post private information about another person.

Plagiarism and Copyright Infringement:

You must not plagiarize works you find on the internet. Plagiarism is taking ideas, writing or pictures of others and presenting them as your own. It is dishonorable, and it is a prohibited use of this facility.

You must respect the rights of copyright owners. Copyright infringement occurs when you reproduce a work that is protected by a copyright without authorization. If a work contains language that specifies appropriate use of that work, you should follow the expressed requirements. Copyright law can be confusing; therefore, if you have any questions, please ask a teacher or Club staff member.
