OF GREATER MILWAUKEE

## **BGCGM Parent/Guardian Alternate Arrival/Release Agreement**

By completing and signing the attached Alternate Arrival/Release Agreement (hereinafter “Agreement”) you are authorizing Boys & Girls Clubs of Greater Milwaukee (hereinafter “BGCGM”) to release your minor child from BGCGM without a parent/legal guardian present. Please note, by agreeing to the Alternative Arrival/Release Agreement you are acknowledging the following:

1. Safety is BGCGM’s number one priority. Because BGCGM values safety, and due to a general presumption of maturity of most 13-year-olds or older, it is our position that members, 12-year-olds or younger should only be released directly to a parent/legal guardian or authorized person, and that person must be present and sign the member out.
2. You understand that BGCGM’s policy is to only allow members 13-year-olds and older to sign him/herself out.
3. You are requesting that this policy be waived and that your child, who is 12-years-old or younger, be allowed to sign themselves out.
4. You understand that once your child has signed themselves out from BGCGM:
  - a. They will not be allowed back to sign back into the Club site within the same day.
  - b. BGCGM will not be responsible for the safety of your child after they exit the building.
  - c. BGCGM staff will not monitor with whom or where your child goes after departing.
  - d. BGCGM will not make any special notations or phone calls to you, regarding your child signing out.
5. You agree to waive and hold BGCGM harmless from any damage, harm, misconduct, disappearance, or any other circumstance that may occur after your child exits BGCGM’s building/site, which includes but is not limited to injury caused by others, self-inflicted, or traffic/motor vehicles.
6. You understand that this Agreement shall remain enforced and on file until revoked in writing.

By continuing with registration, you (the legal guardian/parent with custodial rights to sign on behalf of the below named child), acknowledges your understanding and agreement of the above release and waiver.
